

ELECTROLENGUA

UPSKILLING LANGUAGE INSTRUCTORS FOR ONLINE TEACHING

project no: 2021-1-ES01-KA220-VET-000024863

Electrolengua is a 24-month EU project which aims to upskill language teachers in digital education through peer-led guidance.

OBJECTIVES

- To teach language educators without formal qualifications to use their talents, abilities, and skills focused on online teaching.
- To allow teachers involved in family caregiving responsibilities to follow a peer-led course and promote networking with fellow language teachers from across the EU.
- To upskill all project participants regarding teaching online.
- To expand language teacher employment options online, reducing disability and age-related prejudice.

EXPECTED RESULTS

- ✓ Framework for Teaching in the Digital Sphere
- ✓ E-curriculum in Language Learning for Teachers
- ✓ e-CPD materials for Language Teachers and a Well-being Centre Forum

TARGET GROUPS

- Language teachers
- Certified language teachers employed in language school, teaching privately or volunteering
- Informal language teachers (without certification) teaching privately or voluntarily
- Anyone interested in the topic
